

AFT-SHANKER INSTITUTE SUMMIT ON CTE AND PERKINS REAUTHORIZATION

February 3, 2014

UFT Headquarters, 52 Broadway, New York, NY 10004

Goal: To build the AFT's group of experts in the field on CTE and to build a cohesive group to advise AFT as we go forward in promoting high quality CTE programs and policies to support CTE. To work with ACTE on reauthorization of Perkins by engaging AFT state federations and local unions in the Northeast and Ohio to the East. To leave the summit with a plan for mobilizing for Perkins.

Structure: The AFT-Shanker Institute Summit on CTE and Perkins reauthorization is being held in conjunction with a UFT conference and professional development day. This allows us to include both AFT locals and UFT leaders and activists in key discussions while also creating an opportunity for representatives of AFT locals and state federations to meet separately on building AFT's CTE capacity.
